Deluxe – 85/15 Down Feather Quilt

The Killarney Linen Deluxe 85/15 quilt is designed for superior comfort and style, made with a 100% Cotton Japara "Down-Proof" cover and using premium quality 85% White Duck Down & 15% White Duck feather fill, crawling into bed has never felt better.

The boxed cassette quilt design ensures that the down remains evenly distributed to maintain it's luxurious fullness and quality appearance whilst providing the "ultimate" in softness and comfort.

Ideal for all year round use the 85/15 quilt retains it warmth in winter but is light enough to insulate against warmth in summer.

The Killarney Linen Down & Feather quilt range is machine washable or you may dry-clean if preferred.
